Summary

Current college freshman, maintained a 3.8 cumulative GPA for the years I have attended high school. Very good people/social skills, and have taken a second language Spanish class for three years. Successful student-athlete and also good with computers. One and a half years of work experience at Popeye's Louisiana Kitchen in Yakima, Washington. I work very well with other people, and tend to enjoy most activities involving others.

Education

A.C. Davis High School, Yakima, Washington

High School

Graduated – August 2015 – June 2019

University of Washington, Seattle, Washington

College Institution

Enrolled - September 2019

I am currently enrolled at the University of Washington. I am in my first year, and hope to continue the success I maintained during my high school career. Although it can be stressful, the experience for me has been mostly pleasant, and I have enjoyed making new friends, being involved in school activities, as well as the new challenge of college courses.
